OUR ZERO HARM RULES

Here at BINGO, safety is our number one priority. That's why we've developed our 12 Zero Harm Rules. By following these rules every minute of every day, we will keep ourselves, our BINGO family and the communities in which we work safe.

- These rules apply to everyone in the BINGO family and those who work with us.
- Our Zero Harm rules apply at all times, even when you are not on a BINGO site.
- By learning and committing to these 12 Zero Harm Rules, we can achieve zero harm together and all get home safe everyday.
- These rules are supported by BINGO's Fair Play model, a copy of this can be found at every BINGO site.
