

Incident at Eastern Creek

BINGO confirms that a fire occurred at its recycling and landfill facility at Eastern Creek in New South Wales in the late afternoon of Saturday, 1 February.

Fire and Rescue NSW were quickly on site and managed to contain the fire to the base of the landfill. BINGO staff were quickly removed from the affected area and no-one was injured in the incident.

BINGO would like to acknowledge the rapid response of Fire and Rescue NSW. They remain on-site working alongside our team.

BINGO is working with the relevant authorities to determine the cause of the fire.

The materials processing facility will continue to operate as normal, and the landfill facility will operate at reduced capacity until full operations can resume.
